

Logan Gonzales, a 7 year old Oak Harbor boy from Crescent Harbor Elementary needs our help!

Spaghetti Dinner Fundraiser

Due to Logan's severe allergy to peanuts, he is in need of a service dog that can detect peanut products so Logan doesn't have to be exposed. His allergic reactions are life threatening and have sent him to the hospital many times.

Peanut sniffing service dogs are trained to protect their owners by detecting and reacting to microscopic amounts of peanut products. They are trained at the Seven Star Ranch in Florence Texas, a facility which also trains dogs used for sniffing out bombs and drugs.

This fund raiser dinner is to help Logan's family with the expenses associated with acquiring this much needed dog.

North Whidbey Firefighters Association and Island Fraternal Order of Leatherheads Society (F.O.O.L.S) are putting on a *Spaghetti Frenzy* to benefit Logan.
